**Board and Commission Applicant Interviews**

Timothy Luikart (Historic District Commission)

Discussion and questions focused on:

- Has lived in historic buildings since 1993 and is interested in preserving historic buildings. The large stock of historic housing available in Northville is what drew his family to the community.
- Is involved in other organizations, including the Northville Historical Society.
- His focus as an HDC member would be to bring a sense of balance to the HDC. His background as an engineer and “process” person would bring strength to the HDC. The HDC needs to appropriately represent the City.
- Has a background in government and military; sees what is written as the “rules.”
- Understands how to work within the system and how to get help when needed.
- Is willing to do his homework and be ready for the meeting (i.e. review Design Standards and Secretary of Interior Standards).
- Is familiar with the HDC (wife Jennifer served until recent resignation) and understands the meeting commitment.

**Discussion and Recommendation:** Following discussion of the two applicants, the Selection Committee concurred Mario Tartaglia would be recommended for the appointment to the Historic District Commission.

There being no further business, the meeting was adjourned at 5:46 p.m.

Respectfully submitted,

Dianne Massa, City Clerk
